people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

When it's time for you to venture out, don't let fear have you looking back at what you're leaving behind.

Who are we to wonder where we're going?

Who am I to tell me who I am?

Let's take it back, and take in every moment

Who am I, to tell me who I am?

Yeah, Marvel has tried to tell me Loki was dead before. I'm not buying it. He'll probs show up at his own funeral with tea and be like, "Are you ever *not* going to fall for that?"

As for Shuri, I'd looked up a list of who died and survived the snap, so yeah...I bet they bring her back though. It's the old characters I'm worried about, some of the actors are wanting out. :'(

For good
